

Claire Merrion writes:-

The Chow Chow Breed Council will be holding the following events on the 7<sup>th</sup> June 2020 at the Nether Whitacre Village Hall, Whitacre Heath, Colehill, Warks., B46 2EH.

The first talk will commence at 10.30 a.m. given by Dr. Tom Lewis – Geneticist, the Kennel Club's Genetics Research Manager and he will speak on the subjects of Hip and Elbow Dysplasia and the effectiveness and improvements of both in Pedigree Dogs.

Following lunch we shall be holding a Breed Appreciation Day (BAD) in line with the Judges Competency Framework(JCF) and this will consist of an introduction and talk being given by Mrs Sheila Jakeman on the Chow Chow. This will be followed by the Multiple Choice Examination on the Kennel Club Breed Standard of the Chow Chow.

The event is open to all, fees as follows:-

The Breed Appreciation Day without exam	£15.00
Multiple Choice Examination	£10.00
Dr. Tom Lewis – Seminar on Hip and Elbow Dysplasia	£15.00
To attend both events:	£25.00

All fees including lunch (except MCE)

Pre-bookings required.

For those who wish to attend the Breed Appreciation Day (BAD) please contact the Breed Education Coordinator Mr Paul Westley on 07734 508392 or email: [paul50westley@gmail.com](mailto:paul50westley@gmail.com)

Bookings for the talk given by Dr. Tom Lewis on Hip and Elbow Dysplasia please contact the Breed Council Secretary Mrs Claire Merrion on 01480 466352 email: [clairemerrion@btinternet.com](mailto:clairemerrion@btinternet.com)
